TWO Hole-in-Ones in One 18 Hole Golf Round at Michigan's Treetops Resort

Gaylord, MI – Treetops Resort, renowned for its prestigious five golf courses saw for the first time at the resort, TWO hole-in-ones within the same 18-hole round of golf. Mike Robertson is a native of Grand Rapids. Mike, who is an eight-handicapped player made these two hole-in-ones on Treetops Resort's Signature golf course. Mike had never had a hole-in-one until that late June weekend in Gaylord's Golf Mecca. The odds of this happening are 67 million to one. The two holes where Mike made his hole-in-ones were hole 2 and hole 8. Mike made his two hole-in-ones during his first 9 holes of golf. Mike followed the hole-in-one tradition of buying drinks for his friends, a group of 16 golfers. Mike calls himself an average golfer and never imagined he would make one hole-in-one let alone two within the same round. The entire Treetops staff congratulates Mike on his now famous round of golf.
